Grand Rapids, MI 49503

To Whom It May Concern,

*In the Spirit of our Catholic tradition, we lead our diverse communities with hope and compassion by offering innovative, collaborative programs. Through our team of highly trained employees, dedicated volunteers, and generous community, we deliver the highest quality social services.*

Catholic Charities West Michigan strives to achieve the details of this mission on a daily basis. A large part of our success is due to our community. We work with individuals and families who are looking to give back to those around them. This is why we are reaching out to you. One of the goals of the Catholic Charities Foster Care Program is to provide foster children a safe and comfortable place to call home while biological parents work to resolve the issues that brought their children into care.

Catholic Charities West Michigan would love to connect with your church community about this amazing and fulfilling opportunity to bring hope into a child's life. Catholic Charities provides initial and ongoing training to foster parents. We are committed to providing support and compassion to our foster families, foster children, and biological families. If you are interested in learning more about foster care and adoption from foster care, please do not hesitate to contact me. I am happy to speak with constituents who may be interested in learning more about foster care. In addition, I have a number of different presentation materials that are available based on the best fit for your church. My contact information is listed below. Thank you in advance for your time and generosity.

Sincerely,
