Youth Development Specialist

Starts at \$12.35 - \$13.00 per hour (based on education)

Full time, counselor role providing direct care for children and youth living in an open residential program. Counselors see to the physical and emotional needs of the children and youth who have experienced some form of abuse and/or neglect. Counselors will model and teach appropriate social skills while working closely with a staff therapist to implement individualized treatment plans. This role demands an individual with strong relationship building skills, physical and emotional stamina and an ability to work in a team environment in order to provide a family like setting. Counselors act in a parental role by meeting basic needs of youth.

Qualifications: Associates and/or Bachelor's degree in Psychology, Sociology, Social Work, Youth Ministries, Criminal Justice and/or Communications or comparable experience is preferred, although not required.

Valid Driver's License with a good driving record is required. EOE.
